2021 Rep Registration Fees

Based on the Province's Roadmap to Reopen, we will be able to commence practising in Step 1, which is anticipated to start on or before June 14th. The actual date we will be able to begin will be dependent on the Province's announcement of Step 1 and then coordination with the City of Mississauga to have access to diamonds. Both MSBA and the City want baseball and softball activities to start as soon as possible. The Provincial Government has not yet provided clarity as to when games may begin, but the hope is that this will be allowed as of early July. Because of this uncertainty, MSBA is creating a two tier registration fee structure as outlined below.

Per Player Fees:

Category	Assuming That We Will Start Playing Games Approximately July 5	Assuming That We Will Start Playing Games Approximately July 26
Baseball	\$285	\$235
Rookie Ball	\$205	\$155
Softball	\$285	\$235

These fees represent a reduction from MSBA's usual fees of \$50/player if games start approximately July 5 and \$100/player if games start approximately July 26.

For an rep team that has already paid their registration fees, we will make arrangements with the team to provide you with a refund for the difference.

Notes:

- (1) All teams will collect and pay for all their players the fees outlined in the “**Assuming That We Will Start Playing Games Approximately July 5**” column. Should we be unable to start games until after July 26, MSBA will issue, at the choice of the player/parent, either a credit towards 2022 registration or refund for amounts previously paid in excess of the amounts set out above once the season is complete.
