

QUICK REFERENCE GUIDE

June 12, 2020

PARENTS

This checklist has been created to help you stay within the guidelines of Baseball Ontario's Return to Baseball for practices, tryouts, camps, clinics, and training sessions for 2020. The Checklist will be updated as the Province moves towards opening up for game play.

PARENTS/GUARDIANS:

- Do not allow your player to participate if they have flu-like symptoms, fail the self-assessment, or have been in contact with anyone who is sick or have travelled outside Ontario in the past 14 days
- Adhere to the directions of coach or team designate with respect to Baseball Ontario's Return to Sport Protocols
- Read the Return to Sport Document and remind players to adhere to the restrictions
- Do not send the player with sunflower seeds, gum, etc.
- Ensure player has their own equipment and water bottle
- Ensure player has sanitization supplies, as needed
- Ensure player understands how to physically distance and sanitize
- Ensure player has means of transportations - Ride sharing is discouraged

SPECTATORS:

- Follow all signage at the Ballpark
- Arrival and depart on time to avoid large group gatherings
- Always Physical Distance (6ft)
- Sanitize your hands upon arrival to the Ballpark
- Respect benches and bleacher markings for Physical Distancing (6 ft)
- Do not touch any maintenance or sport equipment
- Do not loiter in the parking lot before or after your session
- Dispose of garbage appropriately, or take your garbage home with you

Thank you for your dedication and cooperation. Have a great summer of baseball!
